

"Life smiles big at you when you embrace God. To draw close to God you must examine deeply the detailed rocky lives of people like David, Paul, Anna and Bartimaeus. Steven W. Zachary takes his readers into mystery. Complexity. Clarity. Insight. Heart to heart application.

Faith in God expands when you take God at His word as Steven W. Zachary does in this excellent book. Insightfully portrayed, these applied bible stories will enhance your courage and love.

You will embrace God at deeper life-changing levels. Your disbelief and despair will turn into a smile, honor and praise of God."

Dr. Roger Ball, Senior Pastor, First Baptist of Tempe

"In a time often called "the hurried generation" here is a book that helps the everyday believer slow down & think about drawing near to a God who wants to draw near to them. Most of us have many casual and temporary relationships. The author reminds us of a God who takes relationship seriously.

Take a walk with Jesus for seven days and watch your love for God grow and the deep sense of feeling close to him become a reality. Steven Zachary has been to the mountain and he has walked in the valley. Let his insights help you on your journey."

Pastor Rod Layman, Senior Pastor, First Baptist Church of Mesa

"Steven draws on his legal training to interrogate the witness of the scriptures about Jesus. Each encounter is examined and cross-examined till we see the heart of God toward us. Let this book make you more intimate with Him as you hear the testimony of Jesus."

Dr. Timothy Hamon, CEO, Christian International Ministries

Steven Zachary has provided the church, but also anyone interesting in the life and teachings of Jesus, a valuable guide for a deeper walk with God. Biblical and lucid, his close reading of the Gospels is an invitation to take our eyes off ourselves, so that the eyes of our hearts might open to the glory of God in Jesus Christ.

Dr. John DelHousaye, Professor, Phoenix Seminary

I know Steven as a member on our web site. Steven W. Zachary brings the person of Jesus to life in a very special way through this book. Through the reading of this book, Jesus can become more real to the reader, each day of its seven-day journey.

As Jesus becomes more real, your faith in Him will grow. As Jesus becomes more real, your love for Him will grow. As Jesus becomes more real, your desire to be close to Him will grow. As Jesus becomes more real, your desire to please Him will grow.

As Jesus becomes more real, you will grow.

May God continually bless and keep you.
